CONFIDENT OF SUCCESS.

| CONFIDENT OF SUCCESS | IT IS A POLITICAL SCHEME | Sufferers | Port week cruck is known about the frightful tempore week command remained at the great part of the great is known about the frightful tempore week command remained by the part of the most praceful seventy. But it spite of this, in spite of the many other cricks, the command remained about the seventy of the command remained about the seventy of the se

tive of men, would not say be believed Judge Robson would defeat Mr. Hawloy. "I hope so" was all anyone could get from him on this subject. He told The Post correspondent today that he felt sure the La Grange man would win and that he had excellent reasons for entertiming this opinion. Judge Robson, who feit a little apprehensive several weeks ago, has written State headquarters that the outlook for his election is rosy and becoming resier. There Galveston district has put Judge Bell and Secretary Jameson in a very happy frame of mird. The campaign has been going, and promises to continue to go. just to their liking.

WILL BE PLEASING TO COLORED VOTERS IN TENTH DISTRICT.

A Feeling of Woe Prevails at the He Warned Democrats to Vote as Hendquarters of Hawley - Many Callers Who Want Money,

dividing the republican votes with R. B. up of representatives of all the parties. The

many letters have come to him from all his voice grew clearer as ne proved to over the Teath district urging him to make the race that he could not longer remain in doubt. His action today settles the matter and the amountement that he will run will be received with desight by hurs reds of dissatisfied colored republicant lower closely the lines taid down in previous chorts and in interviews. He distinct the provious chorts and in interviews. He distinct the county country of the district.

Giry is a man of whom the negroes cussed the "\$10,000 fea" thoroughly, amought to be proud. He has already won a swering every question wheat of him, but high reputation among his people as a man did no call Gloss hame once. He deof superior intelligence and his moral nounced slanderers and character assuscharacter is above reproach. This race for sine, however, in a way that left no doubt
congress will give him much prestige and to the crowd as to whom he referred. It,
will make him a factor to be reckoned warned his hearers to beware of the
with in the future. The negroes can cast
'forcrunning' populists and republicate
their voices for him with the full assurance
that they are honoring a man of their own was a real contest, onthat they are honoring a min of their own was a real contest on.

The statement in The Post from Dallas today that Bill McDonald and J. W. Mr. Gover Kinzie would come into the Tenth district quartiers. Chairman McLemore and Secretary Keetch already had their hands full of trouble. It is said they have been bearing up under pretty much of a strain for a week past and the news from North Texas, together with the positive announcement that Gary is in the race, has intensified and made the weight almost unbearable. A cartoon portraying the woes of a republican candidate was printed in The Post the other day; one setting forth the wors of the same candidate's examption. wors of the same candidate's campaign managers is now in order.

To Be So Arranged that Everyone from one and of the country to the other and the guilty will not escape the search May Hear Him at Brenham. Brecham, Texas, October 18.—Hon. R. hight of justice. Personally, neither officers nor men care to remain, for we have been buffeted from one position to another so E. Pennington, charman of the demoeratic executive committee of Washington buffetch from one position to another so often that the esprit du corps has been county, is arranging for a large actendance on the speaking by Hon James Stephen Hogg next Saturday in this city. It is understood that the speaking will be as Il u. m. and m the open air, but of this it will be Firemen's park or upon the pub-lic square of Brenham. It will be how-ever, at whatever place will better accom-modate those who will attend. It is ex-pected that a large number of colored prople will be present. The ex-governor is a great layorite with the negroes, and they always attend his meetings in this county. The speaker will be met at the depot by a brass band and a committee of citizens, and will be shown every courtesy while he is here. JONES HAS HAD ENOUGH OF IT We spent our own meney to maintail our companies, and we are not reliablated for it. The department ignores our restorate to adjust these manters, but pays ether volunteer officers from the date of their corollinent. It listens to reports of incompetent army officers uffillating with he arces, but histers away with a long our just replies to his false statements. It assumes that the Gaiveston immuses frowholly and entirely had, and then souds a negro regiment to Santiago de Cuba, whose record of rioding and tisturbances is a subject of common taik. Is this justice?

"There is little doubt among the officers that the regiment has been under a political scapegoat by fise war department. In destroying the caprit du corps by contradictory orders, the equal of which does not exist in any regiment of volunteers in the country, the command has been unterly at gos since July 21, on which date it tell Camp Hawley under orders to sail to Santiago de Cuba and embarked on the trans-He Will Not Meet Burleson in Joint Debate in

Army efficers have said so, and still say so, and when this Ohio regiment enters the field as the First immunes, if well defined rumors be true, it will have to look to its laurels to make a record equalling that of the First United States volunteer infantry for discipline and patriotism, despite the allegations to the contrary. It will seek in vain two unassillable prizes which we are entitled to—the first volunteer regiment, offering its services its country.

are entitled to—the first volunteer regi-ment offering its services its country, and the only regiment which has main-tained its patriotism despite the wily submissed from the first of the ward department to ruin it. Army officers, neither regular nor volunteer, can finally detract from its just dues, for, netwith-standing personal ambition or party poli-tics, right-will win and patriotic motives triumph. Captain Cooke, took special care from Camp Hawiey at 1:30 p. m. and came to town to be extinined by the regular army surgeons sent users by order of Colonel Hare, this final discharge. The company reached town at 2 o'clock and proceeded by its bugler corps marchell from Twenty-second and Market streets to the Tremont hotel, where the physical examinations were made by the samy surgeons. Most of the men were all right, and the work progressed very satisfactorily.

The ndvent of the mustering officers, while not unexpected by the officers and collisted men, gave rise to much commant. At Camp Hawley yesterCay morning. Uwing to the ups and lowns the regiment is the care of the approach to the tree of the part awo menths, much of the talk was are for the garment and market streets for the part awo menths, much of the talk was a few to the care of the talk the commandation to command in the army; in spite of the fact that the regiment is sent that the command in the army; in spite of the fact that the regiment is sent that the regiment is sent to much command in the army; in spite of the fact that the regiment is sent that the commandation to the sent the regiment is as a part of the garrison for the city of Hevana, owing to its peculiar fitness for that service, in which papers is commission, and in spite of the fact that the regiment is used. One of the ups and lowns the regiment is secured the acceptance of the impression that his mother at this commission, and in spite of the fact that the commandation of the service, have a well his commission to Cuba, has in the strongest terms urged that this regiment is service, in which papers in period of the sam was a fact that the commandation in the service and the service of the fact that the regiment is service, in which papers in period of the fact that the commandation in the service and will not be until next. February asked that it is all for New York and London about March, showing the treat that the regiment is service that the regiment is service in spite of the aged officers' row.

A Fost reporter visited the camp carry in the day and found a exceedingly livery, not call free the days to consist from the regiment. This concerned was quite oridous, and as how there is a beginning to the war department.

The general exceeding the treatment that the regiment is the victim of politics and ending commission acckers with a private pull with the political powers.

CONGRESSMAN STEPHESS.

He Held a January to deneral clous, also of the came to America and east the came to America and the sound in the Hotel Salign remained seven years, when he was san hot flattering to the war deforms secured the acceptance of the regiment's services, has used his every very limited over a year ago. The first in the fact and found a exceedingly livery, not only frein a military standpoint, this magnificent body of representative particular, this magnificent body of representative particular, and as soon as the command is finally may seen out, there will be tells galare from both offnoers and men regarding the treatment flay tave received at the hands of the war head of the war the partiment.

CONGRESSMAN STEPHESS.

He Held a January three tests are the victim of politics what the regiment is the victim of politics and the first long of the further fact that there are the particular that there was a soun little fortune for the make years ago.

Galveston, Texas, October 18 .- The musering out of the immunes, begun yesterby, opens a field of controversy which is probably unequalled by any regiment in the whole country. The "Galveston immunes" have undoubtedly made of themselves a National issue, and no command which will be retired from active service will have a record of vicinstrules even ap-

preaching that of this well known regiment. Yesterday was the beginning of the end-Texans, company B, unler command of Captain Cooke, took speckal care from Camp

general of the army for active service, and

anxious to extend parrons to in -rmy and merely made his announcement.

This part of Eastland county has bereteby those mest interested, and information has been received here man as soon as the memores go out the Ohio regiment will go in. This most extraordinary uses in the choice of State and National ticket. pointed from a political source, being cho en directly by the colosted men and commissioned by Presflent McKinley. It is quite casy to see the plausibility of this

turdt, and it only lingers in state que bemean much more when we are finally out, for already the New York Herald has taken up the cudgel in defense of our position and before the matter is ended the truth about the Galveston manuaes will be spread killed, as doubtless our co-mies desired. B. Hawley, republican candidate for con-but it is hard to kill a natural indignation greas for the Tenth congressional district, at such treatment, exceptable when politics spoke at the court house for about one-half is apparent in every order the regiment has an hour to a small but respectable audireceived for two mouths, and I, for one, feel that we have not been troperly treated.

The Galveston regiment was recruited from the best blood of Texas. It is a cosmopolitan regiment. It embraces man from every mook and corner of the State. its officers have worked hard and considercifficers have worked hard and conscientiously. The motives of every man who enrolled his name, from the humblest private to the command me officer, were tiede of patriotism, for the command was created immediately upon the blowing upon the battleship Maine, even belove the battleship Maine, even belove the original call for volunteers. Many of us, go out of service poorer than when we went in. We have received to pay between the date we enrolled our names to the date we accompted our commanders. the date we appared our communious on the pre ident-a period of six weres. We spent our own money to maintain our companies, and we are not reinbarced for
